## December 2016

Can you believe it?  
We have come to  
the end of another  
year. And what a  
year this has been.  
Even those who  
specialize in  
predictions did not  
see the surprising  
results of the USA  
election.

For some, the  
results felt like a  
relief and for others  
unbelief and  
uncertainty.

What lies ahead  
depends on the  
story we tell  
ourselves. A very  
wise woman once  
told me. "Things are  
never as bad as we  
think they are nor  
are they as good as  
we think they are.  
The real meaning  
lies somewhere in  
the middle."

My hope and prayer  
will be that as we  
come to a New  
Year, we will find  
compassion and  
good will toward  
each other.

asked to bring a dish to share and \$10.00 to support the ASA. Those attending the party will receive a short astrology or tarot reading from a talented volunteer and a raffle ticket for a chance to win a prize. Some of our volunteer readers will have a tip jar - feel free to give a money/energy exchange!

Nelda Tanner was unable to make it last month to the panel; however she will present her thoughts at the party! Also, we will have a comedy routine by astrologer Dennis Harness!

Share the fun and festivities with our wonderful group of astrologers and astrology lovers. See you there!

## YEARLY DUES FOR 2017

**The ASA's 2017 annual dues are due and payable on January 1, 2017. These yearly dues are \$36 per person. They can be mailed to PO Box 2153, Scottsdale, AZ 85252. Dues for 2017 can also be paid at the December ASA Solstice Party or the January 16th lecture. Cash or check only, please.**

## TUCSON ASTROLOGERS' GUILD

The Tucson Astrologers' Guild will have a Holiday Party/Discussion Meeting and Pot Luck Dinner on Friday December 9, 2016 at 7:30 PM. It will be held at the Comfort Suites at Sabino Canyon at 7007 E. Tanque Verde Road next to Big Lots. Carolyn Crawford will give a talk called "Planetary Pictures for 2017." This is a free discussion meeting, open to the public. For more information call 520-625-5762.

The Arizona Society of Astrologers (ASA) is one of the oldest astrology organizations.

A non-profit organization, the ASA was founded on September 7, 1973, during a time when American society began its earnest quest for self-discovery.

The society owes its inception to John Gilliam, an avid local astrologer. The ASA was incorporated on September 20, 1974, at 4:30 p.m., in Scottsdale, AZ.

**Star Wisdom:** Take care of the earth and she will take care of us.

**December 13--Full Moon--Sun at 22 Sagittarius, Moon at 22**

**Gemini---**Open minded learning instead of know-it all, self-righteous dogma.

**Star Wisdom:** Try a new approach. Avoid doing the same thing and expecting different results.....insanity.

**December 19---Mars enters Pisces and Mercury stations to go retrograde at 15 Capricorn; with Mercury approaching a conjunction with Pluto--**Secrets are likely to be revealed and old territory will be revisited. Letting go will be a common theme.

**Star Wisdom:** Let's slow down and step back from the hustle and bustles. Instead of seeking more and more, let's take the time to be grateful for what we already have.

look hopeful.

**December**

**Uranus--**Both  
Uranus and Jupiter

actions. Think of a  
pressure cooker  
valve that releases  
pressure, thus  
averting a major  
explosion.

**Star Wisdom:**  
Look for creative  
outlets for inner  
tension. Avoid  
throwing the baby  
out with the  
bathwater.

**December 29--New  
Moon at 8 degrees  
Capricorn--**

As we approach 2017 the New Moon energy offers us an opportunity to set strong intentions.

Intentions are different than resolutions. Look to the house in your natal chart that is calling for a new approach.

**Star Wisdom:**

Ralph Waldo Emerson has said, "For every moment of anger you lose 60 seconds of happiness." Choose peace instead.

As 2016 comes to a close I wish each of you the gift of peace of mind. I leave you with this simple mindfulness prayer.

May we be kind to ourselves.

May we find peace and healing.

We are each doing the best we can in this moment.

May we accept and find ease with things just as they are.
